ALISIENNE GROUP

**is one of the most innovative toiletry and household products manufacturers
of London – UK and Istanbul – Turkey.**

**Passion, Precision and Excellence, three words which
characterize our company's objectives.**

**All our products are in fact designed with passion taking into account our
customer partners' requirements
and their markets.**

**Our products are manufactured to top quality levels to guarantee
immediate success and are recognised
all over the world.**

All products are available in many languages and comply with European and FDA government regulations.

**Alisienne Professional staff will monitor and control the distribution and shipments of a wide extensive
range of products worldwide.**
